

# Todd Mills

Premier Resources Group (PRG)

## Advancing Your Organization's Lean Mission & Vision

As a highly-accomplished executive with 25+ years of leadership success across North America in manufacturing and corporate settings, Todd is adept at defining lean strategies and facilitating team-driven execution to achieve desired outcomes. He offers a rich mix of expertise with a consistent focus on talent development along with the appropriate use of technology and systems. Throughout his career, Todd has collaborated with executive leadership to deliver exceptional insights on effective lean implementation. He looks forward to bringing these best practices to new doorsteps around the globe.
